Pray for the land and crops of these *campesinos* (farmers) that are under the threat of *Aportes San Isidro* palm oil company. The company has installed fences within the *campesinos* land, creating physical obstacles that impede their access their own lands. Pray that the Collective Reparation Process that the Colombian government has offered this community as a way to compensate victims of the armed conflict becomes an immediate reality. Pray for the *campesinos* that work the land and allow us to have food on our tables.
